Trouble Logging In?

Are you in the UK?

If you're in the UK, try logging into Turnitin at TurnitinUK.com.

If you're anywhere else in the world, you should log in at Turnitin.com.

Have you reset your password?

If you're in the UK, [reset your password here](#).

If you're anywhere else in the world, [reset your password here](#).

Need to check your email address?

If you're unsure about the email address you use to log in to Turnitin...

Administrator	Instructor	Student
<p>Administrator</p> <p>As an administrator, you can contact the Turnitin support team via the Get in touch button below. They will be able to confirm your details.</p> <p>Alternatively, it may be quicker to ask one of your Turnitin instructors to check your email address for you.</p> <ol style="list-style-type: none">1. Instructor should log into Turnitin.2. Click the institution name from the Turnitin homepage.3. Select the send administrator an email button. This will open the user's email client and will reveal your email address.	Instructor	Student

Use a learning management system (LMS)?

(For example, Moodle, Blackboard, Canvas etc.)

Turnitin is unable to reset your password as your institution controls these details. Contact the instructor for your class, or any support service your institution provides, and they will be able to help.
